Salesian Secondary College

UNIFORM POLICY

1. RATIONALE

Following discussions with the Parents Association, Student Council and members of Staff, the Board of Management has reviewed the Uniform Policy. The Board has determined that the School Uniform is a fundamental part of the school identity and underscores all areas of school life.

Our school uniform identifies each student as part of Salesian Secondary College. It is a fundamental aspect of the school identity. We expect each pupil to wear the school uniform with dignity and pride and to be aware that, when in uniform, each student represents not just her/himself but the whole school community. At Salesian Secondary College we work to provide a secure, welcoming and ordered environment where individuals are encouraged and challenged to develop to their full potential as human beings and to respect both themselves and others.

Salesian Secondary College promotes the holistic development – body, emotions, mind and spirit – of the young people with whom we work. The school uniform is one of the ways in which a positive climate of learning is achieved. It reinforces a sense of pride among students in their school especially when representing the school on sporting or extra-curricular activities and during whole school events.

Self Expression and Identity

Adolescence is a time for growth and development of a strong identity. In our school, we want identity to be about what we stand for; our values, our talents and our beliefs, rather than appearance. This is what is encouraged in the journey towards self-expression.

By our school ethos, and through our SPHE and other programmes, students are invited to express their views and their growing sense of identity in a variety of ways. Students are invited to grow in love of themselves and others for values that run deeper than the appearance on the surface.

When thinking about the school uniform, think about wearing the jersey of your rival team? If you support Limerick, would you wear a Dublin jersey to a match? If you support Manchester United, would you wear a Liverpool jersey or vice versa? Would you feel comfortable? Doesn't your own team's jersey say something about what you stand for?

It is the same with the school uniform. Our uniform represents what we stand for and wearing it means that you belong with us and represent our ethos and values. Refusing to wear it has the potential to isolate you and that is why all students are asked to wear the uniform with pride.

2. SCHOOL MISSION AND ETHOS

We state our Mission as follows:

“Salesian Secondary College is a voluntary, catholic, secondary school under the trusteeship of the Salesians of Don Bosco. Our school dedicates itself to educational excellence taking into account the uniqueness and complexity of each individual pupil. We strive to create an atmosphere where pupils are happy and thrive in an environment imbued with St. John Bosco’s three educational principles of Reason, Religion and Loving Kindness.”

To achieve this mission aim to provide opportunities for students:

- We strive for academic excellence and skill, according to the abilities of each individual
- We strive to enable our students to develop “wholistically”, in a balanced way, i.e. physically, spiritually, morally, artistically, mentally and emotionally
- We strive, as a Catholic school, to be faithful in passing on Gospel values
- We strive to nurture mutual respect and concern for others, irrespective of ethnicity, colour, gender, sexual orientation, social status or creed.

Students may be asked to re-consider clothing choice in good faith.

Elements of the Uniform Policy which relate to health and safety concerns may remain in place during non-uniform events.

Students attending in-school events, for which formal school uniform is not required, are permitted to wear the PE uniform only eg retreats.

7. ROLES AND RESPONSIBILITIES

To properly uphold the Uniform Policy, the school is dependent on the support of parents and guardians. We appreciate cooperation in ensuring that students present themselves in full school uniform every day.

Medical Certificate: Requests for uniform exceptions on medical grounds must be accompanied by a written explanation from the relevant health professional. When unable to wear school uniform on medical grounds, students must wear their school PE gear. No other clothing will be allowed unless specified on the medical certificate.

→ Students are expected to adhere to the full school uniform as defined by the School Uniform Policy; the school uniform reflects the sense of belonging to the school community and parity of esteem in which each individual is held.

→ Teachers will be responsible for monitoring the school uniform in their classes. Uniform checks shall take place regularly throughout the school day. Students who are found to be in breach of the policy will be subject to action, according to the Code of Behaviour. This may include exclusion from a classroom until the breach is addressed satisfactorily.

→ Students cannot represent the school where uniform requirements are not fulfilled. At times, the navy v-neck jumper with Salesian Crest will be a requirement for outings and other events. Students must consult with their teachers before such events.

8. RESPONDING TO FAILURE TO COMPLY WITH UNIFORM POLICY

Any item which is not part of the official school uniform will be confiscated. (Student dignity will not be compromised in this regard.) Confiscated items will be available for collection at the end of each half term from School Management.

Persistent failure to comply with the Uniform Policy is a serious matter and subject to the Code of Behaviour.

Students will be asked to remove piercings and to place jewellery in a pocket, locked locker or office for safekeeping until the end of the school day.

In certain cases, students may be asked to sit out of class, under supervision, until the uniform matter can be resolved (e.g. refusal to remove piercings, unsafe footwear in specialist rooms etc.)

Non-uniform items of clothing found by any staff member on school grounds (floor, changing rooms, benches etc.) will be stored in the collection area and can be retrieved at the end of each half term.

Repeated Conduct Reports have a negative impact on the student's availability for participation in school teams, entry to Transition Year, participation in extracurricular activities, etc.

9. DONATION TO CHARITY

All confiscated items will be stored in a collection area. At the end of each half term, students must collect the item(s) confiscated. All items not collected will be donated to charity during the half term holidays. The school is not responsible for mislaid items of clothing.

We encourage all students to label all items of clothing brought to school including runners and boots. Parents are invited to donate outgrown/unwanted uniforms to the school.
