VS Ware

VS Ware is our student data base where parents can view attendance and student term reports. Parents can also record absences, lates, permissions to leave early for their son/daughter.

Please download the VS Ware App by searching for VS Ware in your App Store.

Each parent will be sent a text with their own individual username later today. Please save this username.

Once you have the app downloaded, type in **Salesian Secondary College** into the school name box and select when this appears. Please ensure it is the correct **Salesian Secondary College** and not just Salesian College as this is a school in Kildare.

Type in the username that was text to you.
Follow the onscreen instructions to create/reset your password. Once you have your password created please save this also.

If you forget your username please email Karen at secretary@salesiancollege.ie and she will send you a text with your username. If you forget your password, follow the onscreen instructions to reset your password.

If you have any VS Ware queries please click the following link for a parents guide.
