NB. THIS YEAR, YOU WILL HAVE TO MOVE VERY FAST IF YOU WANT TO VIEW YOUR SCRIPT.

You will be assigned a time on Saturday 11th to come to the school to view scripts which have been marked by hand.

For scripts marked online, you will view these through the Candidate Portal from 9am on Saturday 11th September from 9am. (Online marking took place in LCVP, in HL and OL Maths, Biology, Chemistry and Physics AND in HL English, History and Geography.)

Appeals.

If you wish to appeal either your Accredited Grade or your Written Exam Result (or both, where this applies), you must apply through the Candidate Self Service Portal. **This will open at 9am on September 11 for this purpose. The portal will close at 12pm on Monday 13 September.**

The results of Appeals will be issued on a date to be confirmed.

Appealing a Written Paper: Your original paper will be sent to a new examiner and will be re-marked. Practical / coursework MAY be revisited in the school also.

Appealing an Accredited Grade: Please note that the process of appeal of an Accredited Grade excludes the professional judgement of the school in providing an estimated mark to the SEC and the standardisation process. The details of the standardisation process has not been provided to schools. These aspects of the AG are NOT open to appeal. The appeals process concentrates on checking that forms were completed correctly by the school, that data was transferred correctly and that the transmission of data occurred correctly.
