Supports for Candidates

(Portal, Results, CAO)

Congratulations on your results today. You have shown character and strength to get to this day. Enjoy your achievements for what they are before wondering where the 3rd Level market allows you to go. Remember, CAO offers are about supply and demand, not about how good you are.

There are plenty of places you can go for support on the day of your results and following your CAO day. Just pick up the phone!

No question is silly.
